

AVOID DOWNTIME

DETAILED COMBINE INSPECTION

ONLY \$600*

WE GOT YOUR BACK

COMBINE INSPECTION INCLUDES:

- ✓ 145 point inspection
- ✓ Detailed quote on the suggested repairs
- ✓ Software updates
- ✓ Calibration of non-AFS components
- ✓ All fluid checks, chain and belt adjustments
- ✓ Detailed explanation of worn parts and preventative maintenance tips
- ✓ Re-man components installed during inspection repairs carry a 1 year parts and labor warranty
- ✓ Special financing options for repairs on qualified units

*Additional charges apply for washing and transporting.

FACT

We see significantly less in-season repairs on machines that have passed through our inspection program. Machines we inspect get priority when scheduling service calls during peak season.
